VISION and AIMS

Our Vision

We aim to develop the qualities of independence, self-motivation, self-discipline and self-confidence. By valuing these qualities, we encourage children to enjoy learning and to have high expectations and good self-esteem.

Opportunities for spiritual growth are developed across all areas of the curriculum. We aim to develop an understanding of the Christian faith whilst at the same time respecting those of other faiths and those of no faith. We aim to give children an informed awareness of other world faiths, so building respect, responsibility and an ability to contribute in a meaningful way to life within, and later, without the school.

We hope that during their time at Llanfechain School, children will build foundations of inner strength and be inspired to search for awe and wonder throughout their lives.
