Information Sheet

Equal Opportunities

We aim to ensure that the culture and ethos of the school creates an environment which treats all individuals with dignity and respect and which values them all equally.

We believe that every pupil should have opportunities to achieve the highest possible standards and to develop a sense of personal and cultural identity.

Every pupil should also develop the knowledge, understanding and skills which will allow them to participate in a multi-ethnic, multi-faith and multi-cultural society.

The Governors have a Policy to support these principles which is regularly reviewed.

Account is taken of Equal Opportunities as it relates to all curricular and non-curricular activities within school.

All staff, pupils, parents and others who visit the school will be treated with dignity and respect and valued equally.
