HAPPY NEW YEAR - JANUARY

New School Website

We are delighted to announce we have a new school website. It is a mobile-friendly website where you can get up-to-date news and information about the school. When you go onto the website please make sure you subscribe to email and browser notifications and follow our live calendar. This will be where we post our newsletters and information from now on. It will also be where you will be able to book in for parents evening when that time arrives. Our website is www.llanfechainschool.org.uk.

We would like to take this opportunity to say a massive thank you to Lindsey Richards, a long-time friend and supporter of the school and past parent, for running our previous website. The time, effort and care Lindsey put into our wonderful website is astounding and so very much appreciated.
