## **Estyn – Parent's Meeting**

As part of our Estyn inspection next week, parents are invited to attend a parent's meeting after school on Monday 1<sup>st</sup> July. This will give you, as parents and guardians, the chance to meet with the inspectors and share your views with them directly. The meeting will be held in Class 2 straight after school, and the children of parent's attending can go to After School Club during the meeting. It would be great to have as many parents there as possible so your voices can be heard as part of our inspection. Thank you.

## **School access and lateness.**

A reminder that the school day begins at 9am and children will need to be in by that time, as gates will be shut. We appreciate that, for a range of reasons, lateness can occur. In those times, please ring the school for a staff member to come along and open the gate, please do not climb over it. Thank you.

## **Uniform**

A huge thank you to everyone who has made such a big effort with wearing uniform. We appreciate it isn't always easy, but the efforts have not gone unnoticed. Thank you.

## **Prom**

A reminder that our Leavers Prom Party is on Friday 5<sup>th</sup> July. It is for year 5 and 6 pupils and their families only. Please ensure the form detailing the number of guests is returned to school asap, so we can ensure we cater accurately. Thank you.

We won't be giving out 'real tickets' this year (to save paper). The invitation has all details of the event on it – there is no pressure, it is to celebrate our leavers and have fun. Food and drink will be available on the evening. Food is included in the ticket price, the food will be a party buffet and the 'famous' sweets trolley! There will be a bar on the evening to purchase drinks with water and squash served for free. As with all school events it is cash only.

## **Thank you**

A huge thank you to our governors who helped with some jobs around the school last weekend. Their hard work and support has been, and is, so appreciated. We know we are so lucky as a school to be in a community that will always support and help where needed, we had a handful of jobs that did not need too many people to complete last weekend but thank you for all the continual offers of support and assistance.

As ever, please let us know if you require any further information or support with any of the above or other aspect of school life and beyond.
