Sports Day

Our Sports Day will be on the afternoon of June 12th. The event will begin at 1:15pm, all are welcome to come along and support the children. Obviously, the event is weather dependent, and we will make any decisions to postpone as soon as possible to give you all as much notice as possible. Though many of us end up rather wet by the end of the day anyway!

Refreshments, including ice-pops, will be available during the afternoon thanks to our Friends group – there will be no charge for these, however there will be a chance to make any donations if you would like to.

School Photos

We will be having our school photos on the morning of Wednesday 12th of July. We appreciate that is also sports day however it was the most suitable date available with other events, timings etc considered. For the school photos children will need to wear a uniform and then they will be able to change for sports day in the afternoon. There will be opportunities for photos with non-pupil siblings along with individual, school siblings, class and school. Year 6 will also have a photo together. If you would like non-pupil siblings to have a photo, please be at school for 9am as these will be the first photos taken.

Parents Evening

On Monday 10th June we will be holding our parents evening. If you are able to attend you will have been given a time, if you have not received this, please let your child/ren's class teachers know. As part of the evening, Mrs Hart will be available to share information about the new curriculum and how we are developing our approach as a school. If you are unable to attend on Monday but would like to know more about the new curriculum, please let Mrs Hart know.
