Tuesday 19<sup>th</sup> November 2024

Dear parents and carers,

## **Parent's Presentation Evening: Wednesday 27th November**

As we are already in the second half of the term, we have decided it would be a good time to share with you what we have been doing this term and explain how we deliver the curriculum, upcoming changes and ways that families can support their children's education. changes that are happening in Welsh Education and how they affect the school and for this reason, we are holding a special Parent's Evening on **Wednesday 27<sup>th</sup> November**. The school will be open for parents between **3.30 and 6.30pm**.

It will be an opportunity for your children to share their work from this term with you and show you what we have been doing in school. At **3.45pm** and **5.45pm** staff from the school will share presentations explaining changes in Welsh Education and how Llanfechain School is rising to this challenge and moving forward to ensure that your children are receiving the best possible education.

On this occasion, there will not be individual appointments with staff. However, as always, if you feel the need to discuss your children's progress with their teacher because of a particular concern, appointments can be made with the office.

Kind regards,

Catherine
