## **Miss Wainwright**

We are saying a fond farewell to Mrs Wainwright as she leaves our school to begin an exciting new role. We would like to extend our heartfelt thanks for her support, dedication, and the positive impact she has had on our children and wider school community. Her care, commitment, and encouragement have made a lasting difference, and she will be greatly missed by both staff and pupils alike.

The children gave her a special send-off in assembly, with singing, dancing, heartfelt messages of appreciation, and thoughtful gifts, reflecting just how much she means to our school community. We wish her every success and happiness in this next chapter.

We would like to inform parents and carers that two important documents have recently been added to our school website: our updated Attendance Policy and a 'Staying Safe Online' pamphlet, kindly shared by Powys Police.

Improving attendance remains a key priority for our school. We are committed to working in close partnership with families to raise our attendance levels towards the Powys target of 94%; currently, we are at 91%. Every day in school makes a difference, and by working together we can ensure all children have the best possible opportunities to succeed. If you have any concerns or need support with attendance, we strongly encourage you to get in touch so we can work together positively.

We also recommend taking a look at the 'Staying Safe Online' pamphlet, which offers helpful guidance for keeping children safe in today's digital world.

## **Encourage Your Pupils to Join the Tir na n-Og Reading Challenge This Easter**

We would be grateful for your support in encouraging your child(ren) to visit their local library over the Easter holidays and take part in this year's Her Ddarllen Gwobrau Tir na n-Og / Tir na n-Og Awards Reading Challenge. The challenge celebrates 50 years of the Tir na n-Og Awards, recognising the very best books for children and young people from Wales. There is a challenge available for children, young people and adults, so whole families can get involved together.

Children can collect a Reading Challenge leaflet from their local library, and during the Easter holidays they can also enjoy a special Tir na n-Og Treasure Hunt in participating libraries. We hope this will be a fun way to inspire reading for pleasure and encourage children to explore their library this Easter.

## **Mrs Munro**

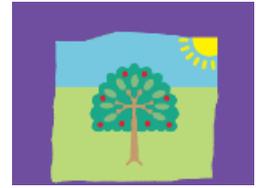

For unforeseen circumstances Mrs Munro will be leaving us at the end of the summer term. The governing body are sorry to see her leave, and we are incredibly grateful to her for being part of our school and for all her hard work and dedication. We wish her all the best for the future
