Bake Sale – Hedgehogs

This Friday 15th May, a bake sale will be held at the end of the school day to raise money for some more hedgehogs to come to our school, to include a hedgehog house with a camera and any further funds raised will go to the school. Please support if you can.

A huge thank you to Rebecca (Dylan's Mummy) for organising all of this for us. We loved welcoming our last hedgehogs to school and using our beautiful grounds for the benefit of other living creatures.

Tuck Shop

We are so lucky to have such wonderful support from our school family. The return of Tuck Shop has been very exciting and we would like to thank Daisy, and her helpers, for all their hard work in doing this for our school.

Dragon Bags

A reminder that there will be another Dragon Bags collection on Wednesday 20th May. Please bring any donations in by the end of the day Tuesday. Thank you.

Maternity Leave Updates

We would like to share some staffing updates with parents and carers regarding upcoming maternity leaves. Mrs Jones will begin her maternity leave on 1 June. For the remainder of this summer term, the school will be accessing support assistant cover through a supply agency to ensure both classes continue to receive consistent support. At the same time, a recruitment process is underway to secure longer-term cover for the new academic year until Mrs Jones returns. Mrs Williams, Class 1 teacher, will begin her maternity leave in July 2026. To support a smooth transition and maintain consistency for learners for these three weeks, Mrs Munro will provide cover for the remaining days of this summer term.

We are also pleased to share that, following our recruitment process, Mrs Eyres will be joining the Llanfechain team to teach in Class 1 on Mondays, Tuesdays and Wednesdays until Mrs Williams returns in the new year. Mrs Eyres is an experienced Foundation Phase teacher and is familiar with small school settings within Powys. She will work closely alongside Mrs Moseley, who will continue teaching Class 1 on Thursdays and Fridays, helping to provide continuity, stability and familiar routines for pupils throughout this period. Further information regarding opportunities for parents and carers to meet Mrs Eyres during the summer term will be shared in June. We wish both Mrs Jones and Mrs Williams a happy and healthy maternity leave, and warmly welcome Mrs Eyres to our school community.
